

A person is seen from behind, sitting on a dark bench in the bottom left corner. They are looking up at a large, spreading tree that fills most of the frame. The tree's branches are dark, and it is covered in small, light-colored blossoms. The background is a very bright, almost white sky, which creates a high-contrast, ethereal atmosphere. The overall color palette is dominated by the dark tones of the tree and bench, the light of the blossoms and sky, and a hint of the person's clothing.

Basic & Advanced Pain Management

April 24, 2018

Kalamazoo Country Club
