

The ASAM Treatment of Opioid Use Disorder Course

# FREE DATA WAIVER TRAINING

SEPTEMBER 21, 2020  
8AM-5PM

## DESCRIPTION

The ASAM Treatment of Opioid Use Disorder Course covers all evidence-based practices and medications for treating patients with opioid use disorder.

## COURSE FORMAT: 8 HOURS LIVE

This training satisfies eight hours of education requirements for providers to qualify for a DEA DATA2000 waiver. Upon completion of this course, physicians qualify for the waiver to prescribe buprenorphine in an office-based setting. NPs and PAs can qualify after completing an additional 16 hours provided by ASAM, the American Association of Nurse Practitioners, and the American Academy of PAs.
