Agenda: Day 1 Overview

CoCM Model, Process, Integration, and Performance

Time	Topic	Objective(s)
8:00-8:15am	**Introductions**	
8:15-8:30am	**The Why of CoCM: Mark Williams MD** *Review basics of CoCM model, including evidence behind the model as it relates to the prevalence of mental health needs*	At conclusion of the presentation, learners will be able to describe the evidence of the Collaborative Care Model (COCM).
8:30-9:00am	**The Basics of CoCM: Mark Williams** *Review basics of CoCM model, including evidence behind the model as it relates to the prevalence of mental health needs*	At conclusion of presentation learners will be able to describe how the Collaborative Care Model relates to addressing the high prevalence of mental health needs.
9:00-10:00am	**The Process of CoCM: Sue Vos, Mark Williams** *Discuss the process of CoCM from patient identification to case closure, including the use of systematic case review tool*	At conclusion of the presentation learner will be able to discuss two key COCM processes needed for COCM implementation.
10:00-10:15am	**BREAK**	
10:15-11:00am	**The Process of CoCM: Sue Vos, Mark Williams** *Discuss the process of CoCM from patient identification to case closure, including the use of systematic case review tool*	At conclusion of the presentation learner will be able to discuss two key COCM processes needed for COCM implementation.
11:00am-11:45am	**The Integration of CoCM: Sue Vos, Mark Williams** *Review roles and expectations of CoCM treatment team and other team members involved in CoCM in the primary care office and the community*	At conclusion of presentation, learners will be able to integrate the CoCM model into patient care visits.
