2. Open Forum	20 min	Discussion, Q & A <ul style="list-style-type: none"> • Priority Health – Updated 2026 PIP forthcoming in December • BCBSM – Changes to PCMH in progress • Other 	Shared learning	All	<ul style="list-style-type: none"> • All concerned with ability to meet the PH Commercial CM 4% requirement. Moderate complexity population are difficult to engage in CM services. Ask to have Jordyn and Stacie share ideas on how to meet this goal, and share rate of participation with PH moderate risk population and PH CM services. • The PO's are struggling with the sustainability of CoCM. The program seems silo'd from PDCM, not fully integrated and a bit of competing of programs between the 2. <ul style="list-style-type: none"> ○ The number of patients meeting CoCare requirements does not offset the administrative cost. Opportunities may be with messaging the integration of CoCare and PDCM vs messaging CoCM as a separate program.

					<ul style="list-style-type: none"> ○ There is interest in behavioral health integration outside of CoCM. There has been CoCare success with the BH Medical Home with rural health and Medicaid.
3. Pain and SUD	10 min	Review and Input <ul style="list-style-type: none"> • Workshop • Draft Agenda 	Input and Shared vision	All	Input from the group is that this is an area care managers would benefit from training. Level of engagement with providers difficult to determine.
